  - 2) Do you ever wish God were more “efficient” in the way he runs the world? Why do you think he designed history with so much human folly, sin, and complications? How have you learned to be patient with all this?
  - 3) Was there anything in the sermon this week that was especially helpful to you?
  - 4) Did this week’s sermon raise any questions, concerns, disagreements?
  - 5) How should God’s wisdom, goodness, mercy, and love inform you understanding of his sovereignty?
