2010

SUN	MON	TUE	WED	THU	FRI	SAT		
<b>CORE GROUP NIGHT</b> Times and locations will vary by group How well do we really know each other? Romans 12:10 says "Love one another with brotherly affection." How does this sort of affection grow? Well, it has to begin with knowing each other, and our core groups are a great place to start. Talk to your leader about the plan for your group. The goal is to have fun and learn something about the others in your core group.					1	2

28 SUNDAY STUDY 11AM Hypocrisy	<b>WHAT'LL IT BE?</b> Have you ever really counted the cost of following Christ? Jesus never tried to hide the costliness. He told us flat out, that if we follow him, the world will hate us just as it hated him... and that cost may come in many different forms. Our Middle School and High School groups are going to combine on one night for a unique simulation experience taking you through four scenarios depicting different costs of following Jesus. We'll conclude the night with a time of worship, prayer and dinner together. Don't eat before you come.					<b>Cost: \$3</b>		

What happens on the lot of a movie set? Words come to life. On the lot is where the script becomes more than just words on a page, the words become actions. On the lot of our lives, what would happen if the words of the Bible became more than just words on a page? What if when you read the Bible it became more than just information you stored in your brain, but you actually tried to live those words out? And instead of being overwhelmed with the entire Bible, you focused on one passage, reading and rereading it, then letting it light your path? And once the path was lit, you stepped into forward? Your relationship with God's Word would change, wouldn't it? It would become more than words, more than information - it would become part of your experience.

*Every one of us has experienced it at some point.*

*At one time, we were really into a relationship - whether a friendship or a dating relationship - and now, well, not so much.*

*We're just not that into it anymore. So we walk away or we let the relationship die. But what happens when that relationship you're not that into anymore is your relationship with God? Once, that relationship was most important. You felt connected, directed, and close. But these days it feels like nothing.*

*What do you do when your love for the Lord grows lukewarm?*
