WHAT IS "FOUR TWELVE"?

This fall, middle school and high school will keep meeting together for worship and Bible study before breaking out to core groups. We decided to give these Wednesday nights a new name. Ephesians 4:12 says that God gives pastors and teachers "to equip the saints for the work of ministry, for building up the body of Christ". This is why we meet each week. To equip YOU to be ministers of the gospel to one another and to build up the body of Christ. God hasn't called you to COME TO church. He has called you to BE THE church.

Our fall series is called "All of Life to the Glory of God" and we will be considering how the gospel is to influence every aspect of our lives, even down to the most ordinary activities.
